GEORGIA DISABILITY HISTORY SYMPOSIUM: URGENCY OF THE MOMENT:

LESSONS FROM THE PAST, NEW POSSIBILITIES FOR THE FUTURE

WEDNESDAY, NOVEMBER 1, 2017 | 10:00AM - 3:30PM

PROGRAM Recent events have impacted many aspects of our daily life and brought a sense of urgency to social activism. Knowing our history—who did what, when, how and the difference it has made—will inform the swift actions necessary for advocates today. What is urgent for you in this moment? Are there intersections with past advocacy or current social movements? This Symposium will highlight Georgia's disability history through lessons learned and advocacy opportunities for the future.
